PROFESSIONAL PROFILE

Audiovisual creator trained in Communication with an audiovisual major (UOC) and currently taking a Bachelor's Degree in Multimedia, shooting and editing video since 2011 and shooting for artists and creators since 2024: music videos, live shows, concert photography and social content. I shoot on my own camera and handle post-production in DaVinci Resolve and Adobe Creative Cloud. I also come from almost six years in IT, so I bring to a shoot the same method as to a software project: planning, discipline with deadlines and an orderly delivery.

PROFESSIONAL EXPERIENCE

Audiovisual Content Creator

Apr. 2024 – Present

On my own · Glaecy, MR.RPM and Supergatos · Barcelona

- Camera direction, photography and portraits for the independent artist Glaecy, and camera on the reviews of the motoring channel MR.RPM.
- Shooting music videos, live shows and concerts, from the shooting plan to handing over the footage.
- Footage delivered in log, ready for the edit, and post-production in DaVinci Resolve when the project includes it.
- Publishing and adapting the material for YouTube channels and social media.

Tech: DaVinci Resolve, Adobe Creative Cloud, photography, camera direction.

Negocio Manual

May 2026 – Present

Own project · Web, content and product design · Barcelona

- Designed and built negociomanual.com on WordPress, with its own visual identity and technical SEO.
- Set the editorial strategy and wrote the guides and case studies of the project.
- Designed SEO Manual, its training annex: 7 modules and 33 gamified lessons on SEO.

Tech: WordPress, HTML/CSS, SEO, own design.
